

LET'S SHOOT FOR THE MOON!

Together Anything is Possible!!

Each year, donations from our Aldrin families help fund numerous programs for our school through Direct Campaign Contributions (DCC). This is the primary source of fundraising for the PTA and allows the PTA to provide a wide variety of programs for students & teachers. In past years, your contributions have helped fund field trips and the required buses, assemblies, GRACE Art, assignment notebooks and much, much more. Last year, your generosity enabled us to achieve 109% of our goal, and buy additional laptops for our classes.

This year, we are continuing with our "Shoot for the Moon" campaign. You have a choice of donation levels, which combine DCC and PTA Memberships together. Of course, you may also select the "Fan Level", and contribute an amount of your choosing.

Our goal this year is to raise \$11,000. We will be working with the administration to identify items that will truly benefit our staff and students as they excel at Aldrin!

**Each level includes a \$15 Family PTA membership.*

ASTRONAUT LEVEL

\$75

Includes:

Family PTA Membership
